

Bursary Information

The PEINPA is excited to announce that we will be funding educational bursaries to assist and support members with their commitment to continuing education. There are two bursaries of \$1000 and a single student bursary of \$500 available. These will be paid as a one-time award and will be offered on an annual basis. Candidates must be active members of the PEINPA at the time of the request submission. The member is required to complete the application below to apply for the bursary.

Name:

Area of practice:

In your own words, briefly outline:

- 1) How the intended use of the bursary funds will contribute to improved NP care on PEI.
- 2) How you will share the knowledge obtained with the membership?

The submission deadline is **December 31st** and the successful recipient will be announced on **January 30th** of the following calendar year.

If the number of applications exceeds the number of bursaries available, funds will be awarded based on current professional practice gaps on PEI identified by the PEINPA.
